

## **Iron Creek Ladies League 2021**

Welcome to the 2021 Ladies League at Iron Creek

You can join this league at any time in the season. The fee to join the league is \$50 and can be paid by cheque or e-transfer to Karin Rimnyak. Last year we were unable to have a dinner or gathering, so as a group we decided to donate the money to two worthy charities. This year we will decide depending on the COVID protocol in place at the time.

If you are not a full golf club member, Iron Creek has special rates for you to play your once-a-week league round. Please make sure you book your own tee-times on-line and when you are paying for your round, make sure you are getting the proper league rate.

This is a very flexible league. We play 9 holes every week, and alternate front 9 one week, back 9 the next week. You can play your weekly round any day, by yourself, with another league member, or with anyone you happen to play with. Please invite others to join you when you play, as there are some members who don't have regular playing partners. It is a fun league, no pressure. If you miss a week, no problem. If you play an extra round, leave your score card on our bulletin board and it can be used for a future week you might miss.

There is a weekly sheet to enter your scores on the bulletin board. Please enter your scores yourself on the weekly score sheet, along with your total score and your total putts.

Also enter your best score per hole on the chart posted. Follow the instructions on that chart. Most important, that you have a score in every single hole by the end of the season. Easiest way to do this is to enter the scores all across the board from your first game, and then just update it if you get a better score on the hole later. It's fun to see at the end of the season what your personal best might have been, if you had put them all together in one round!

Enter the date of any birdies you make on the Birdie Board.

Bring out your friends and let's have fun!
