

# Iron Creek Ladies League 2024

Welcome to the 2024 Ladies League at Iron Creek!

You can join this league at any time in the season. Please send an email to our registrar/treasurer Rita Rugar ([rita.rugar@gmail.com](mailto:rita.rugar@gmail.com)) with your NAME, EMAIL and PHONE NUMBER. Then send an e-transfer to the same email. The fee is \$65. Please make sure you put your name in the e-transfer memo in case your name and your banking don't match up.

Iron Creek has special rates for you to play your once-a-week league round if you play Monday – Thursday. You can play your league round on the weekend (Friday – Sunday) as well, but there is no special rate on the weekend. Please make sure you book your own tee-times on-line and when you are paying for your round make sure you ask for the league rate. The pro shop staff do not know who is or is not in a league, or if you are there to play your league round. You can only get the special rate once a week; if you play more often, you pay the regular rates.

This is a very flexible league. We play 9 holes every week, and alternate front 9 one week, back 9 the next week. You can play your weekly round any day, by yourself, with another league member, or with anyone you happen to play with. Please invite others to join you when you play, as there are some members who don't have regular playing partners. It is a fun league, no pressure. If you miss a week, no problem. The club has a "preferred" tee block from 9am to 10am each Tuesday morning, for the ladies league, but you do NOT have to play at this time, and it is highly advised that you book a tee time even if you plan to play Tuesday starting between 9 and 10am.

Special rules for Ladies League:

- You can take one free mulligan during your league round for any stroke, except for putting.
- Birdies: simply circle your birdie on your scorecard and our statisticians will add your "birdie" to the tree. Only birdies scored during your designated league game count.
- No "foot wedges".
- Score limit is double par. Pick up your ball and keep moving.
- We play out of the bunkers unless there is standing water.
- Regular rules apply for ground under repair, out of bounds, etc.

Bring out your friends and let's have fun!
